- (4) 5x7 Prints (Metallic)*
- (1) 3.5X5 Print (Metallic)*
- (1) set die cut Wallets (8 to a page)*

*This paper uses a proprietary combination of film laminate layers that produce striking, three-dimensional, lasting images on an ultra-bright background. The effect is sometimes described as "chrome on paper."*

*You'll see extreme sharpness, brightness, and color saturation with an intense black density that increases its appeal. The proprietary laminate layers also increase the durability and tear resistance of the final print, increasing the opportunities for display applications*
